

Pastels on the Plaza

Saturday, October 1st 2016

Please join us on October 1st for Pastels on the Plaza -- chalk it up for kids!

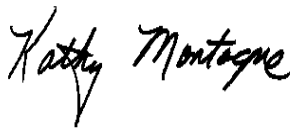

Each year Northcoast Children's Services partners with local businesses and artists to transform the sidewalks of the Arcata Plaza into a colorful art gallery. We would love to see your business represented among the vibrant masterpieces. Businesses are invited to purchase either a small or large square of sidewalk to be transformed into a work of art.

Your donation will benefit the children and families served by Northcoast Children's Services. Our Preschool and Family Services extend to over 1000 children and families in Humboldt and Del Norte Counties. Your purchase of a square of sidewalk will help fund our programs and promote the healthy development of young children and families in our community.

Please return the enclosed card with your selection of either a small or large square. Please also include your artist's name, address and phone if you have already contacted one to coordinate the creation of your square. If you do not have an artist, we will assign one to you. Please note: If you request special art work (i.e. your business logo), you will need to provide your own artist.

Join us for a stroll on October 1st to admire the art work, meet other Sponsors and Artists. We will be celebrating another successful year at the Jacoby Store House. Participating Artists and Business Sponsors are invited to join us for a reception and refreshments from 11:00 to 2:00 at the Plaza View Room.

Thank you for making this special event possible!
