Background Check Process

Applicants hired into the position for which you are applying are required by California Law to have a Criminal Background Clearance or Exemption **BEFORE** working for Northcoast Children's Services. Clearances are obtained by submitting fingerprints to the local authorities for a Criminal Background Check through the California Department of Justice (DOJ), Federal Bureau of Investigation (FBI) and Child Abuse Index. Clearances are then reviewed by the California Department of Social Services (DSS), Community Care Licensing Division. It generally takes 2-14 days after fingerprints are submitted for a Clearance to be issued.

In the event you are offered a job with our program and do not already possess a DOJ/FBI Criminal Background Clearance or Exemption for Child Care Facilities, the job offer is conditional upon your obtaining one.

If a conditional offer of employment with Northcoast Children's Services is made to you, further information and paperwork will be provided to begin the Criminal Background Check process. For a better understanding of the Background Check process, go to the CA Community Care Licensing website (www.cclid.ca.gov) and look up **Fingerprinting**.
