Background Check Process

Applicants hired into the position for which you are applying are required by California Law to have a Criminal Background Clearance or Exemption **BEFORE** working for Northcoast Children's Services. Clearances are obtained by submitting fingerprints to the local authorities for a Criminal Background Check through the California Department of Justice (DOJ), Federal Bureau of Investigation (FBI) and Child Abuse Index. Clearances are then reviewed by the California Department of Social Services (DSS), Community Care Licensing Division. It generally takes 2-14 days after fingerprints are submitted for a Clearance to be issued.

In the event you are offered a job with our program and do not already possess a DOJ/FBI Criminal Background Clearance or Exemption for Child Care Facilities, the job offer is conditional upon your obtaining one.

If a conditional offer of employment with Northcoast Children's Services is made to you, further information and paperwork will be provided to begin the Criminal Background Check process. For a better understanding of the Background Check process, go to the CA Community Care Licensing website (www.cclid.ca.gov) and look up **Fingerprinting**.

Individuals who declare, through this form, that they have been arrested, charged with or convicted of any of the offenses listed below are not automatically disqualified from being hired. Northcoast Children's Services must review each case to assess the relevance of the arrest, charge or conviction to a hiring decision.

All prospective employees are required to provide information regarding the following:

1. All pending and prior criminal arrests or convictions;
2. Charges related to child sexual abuse and their disposition;
3. Convictions related to other forms of child abuse and/or neglect;
4. All convictions of violent felonies.

Have you been arrested, charged, and/or convicted on one or more of the four types of offenses listed above.

If yes, to the previous question, please attach information listing the offense(s), the date(s) of the arrest, charge, and/or conviction, and other relevant information.

Have you ever been convicted of a criminal offense?

Note: Per Health and Safety Code sections 11361.5 and 11361.7, convictions for marijuana-related offenses that are more than two (2) years old need not be listed.

If yes, state nature of the crime(s), when and where convicted and disposition of the case.
