What is Day 0?

Day 0 is the day you first have symptoms or have a positive test. Day 1 is the day following the first day of symptoms or a positive test.

Frequently Asked Questions and Who to contact

Sibling of enrolled child or child of staff exposed with a negative test

No restrictions

If you have questions about:

- Your timecard
- Covid pay

- Contact your supervisor
- Email Lorraine Baddeley

If you have questions about:

- Working from home
- Whether to test

Contact your supervisor

If you have questions about:

- Confusion re: symptoms
- Chronic issues

Contact your medical provider

- Who should parents call for info about Covid?

Their medical provider

Covid Protocols Quick Reference

As Covid has become our new normal, we are looking at ways for staff and families to be able to evaluate their health care needs.

When a question arises regarding Covid, staff will:

1. Refer to the Covid Protocols Quick Reference to determine how to proceed in determining steps to take regarding Covid illness.

2. Contact their supervisor regarding Covid concerns.

In most situations, there will be no need for further assistance.

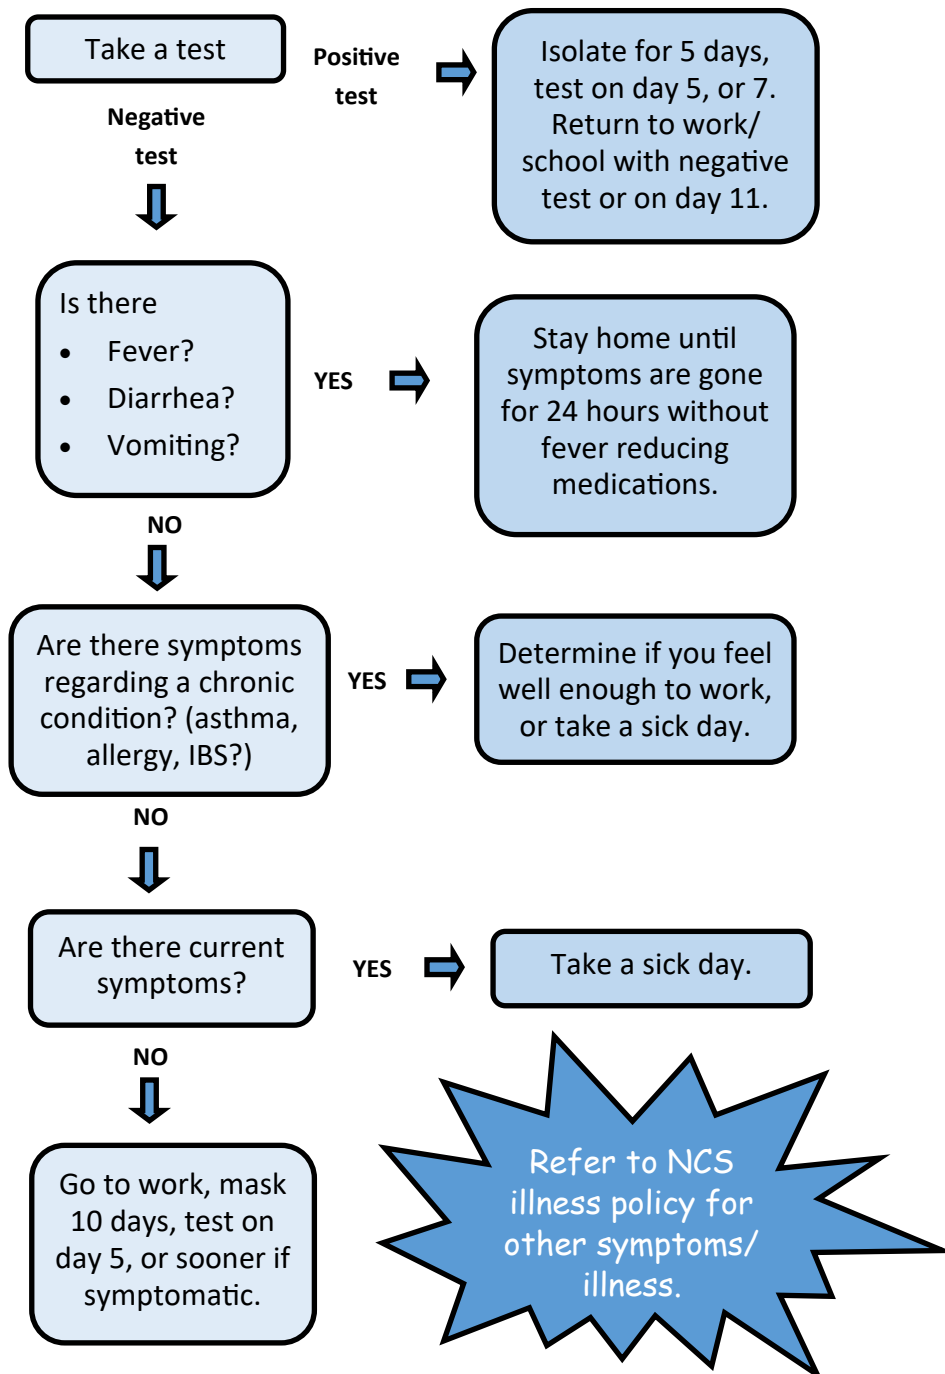

If there are additional questions, staff will email

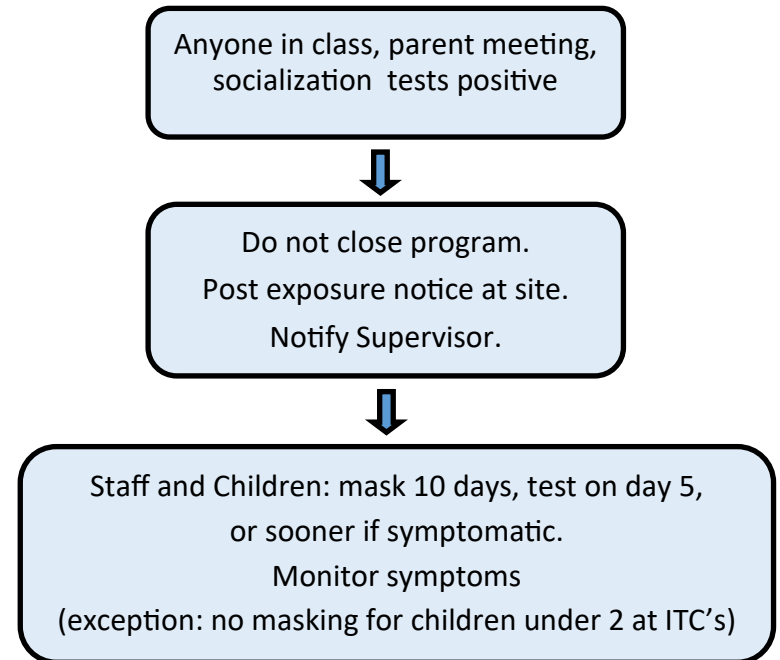

Stephanie or Micki. They will respond to emails the same working day. (They will no longer be taking phone calls regarding Covid, only emails.)

Staff or children sick or known exposure

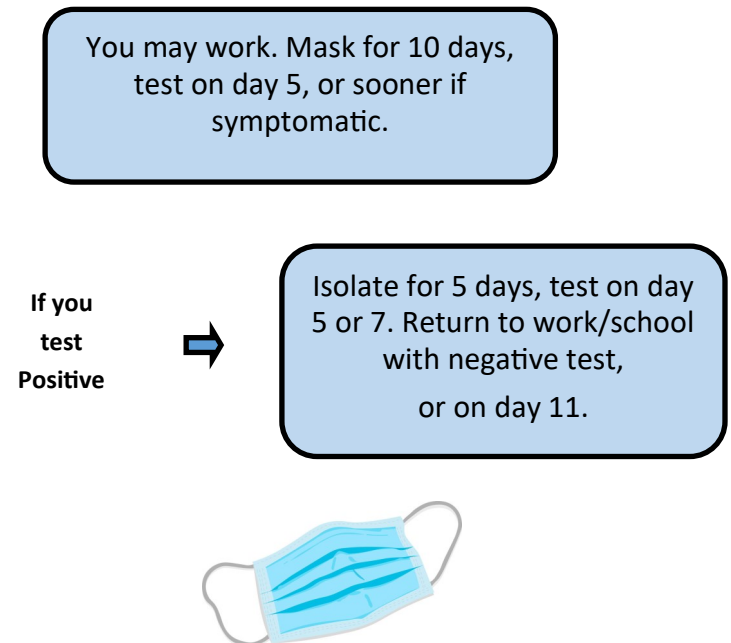

(has been exposed to someone in the last 48 hours who tested positive)

Known exposure at site

Someone in home tests positive for Covid

Del Norte Covid-19 Testing

Get Vaccinated!

COVID-19 vaccines are one of the most important tools to end the COVID-19 pandemic. A safe, effective, no-cost vaccine is available to everyone in Del Norte County. Getting vaccinated can help prevent you from getting seriously ill from the virus and protect those around you as well.

Vaccine Locations

Del Norte Public Health

1st and 3rd Tuesday of every month

9:00 am - 11:30 am and 1:30 pm - 3:30 pm.

Talk to your Primary Health Provider.

Many healthcare offices offer Covid-19 vaccinations. Talk to your Doctor.

Get Tested.

We recommend getting tested as soon as possible if you are experiencing COVID-19 symptoms, even if you are vaccinated.

You should also get tested if:

- You have been in close contact with someone who has COVID-19
- You have taken part in activities that put you at higher risk for COVID-19, such as travel, attending large gatherings, or being in crowded indoor settings
- Your employer requires routine screening

Free Rapid Tests

A limited amount of free rapid tests are available through Public Health. Please call to check availability at 707-464-0861.

They can be picked up at:

400 L Street

Crescent City, CA 95531

Humboldt Covid-19 Testing

Testing

Californians in need of COVID-19 testing can purchase over the counter (OTC) tests at local stores or pharmacies or order through their health insurers or the federal government at special.usps.com/testkits.

Individuals who use OTC tests and do not have a health care provider may access test-to-treat services by contacting Sesame Telehealth at sesamecare.com/covidca or by calling 1-833-686-5051.

COVID-19 Vaccine Resource List

1. Vaccine Info

Get vaccinated—it's safe, effective, and free

Appointments are available for all residents age 5 and up through the state's My Turn system. Schedule an appointment at myturn.ca.gov or call 1-833-422-4255.

For step-by-step directions on scheduling a vaccination appointment, click [here for English](#) and [here for Spanish](#).

If you have questions or need assistance navigating this process, call Public Health at 1-707-445-6201.

Many local pharmacies are offering COVID-19 vaccine in partnership with the county and federal government. Most pharmacies allow walk-ins, but please call ahead to confirm. Go to vaccines.gov or text your ZIP code to 438829 to check availability at participating pharmacies, or click on the individual links below.

Additional Doses

Additional doses of the mRNA COVID-19 vaccines are available for those who are immunocompromised 28 days after they complete the initial series. An additional dose of the Pfizer or Moderna vaccine is recommended for immunocompromised individuals to achieve maximum protection from the vaccine series. People are encouraged to talk to their health care provider about whether an additional dose is appropriate for them. For more information about additional doses of COVID-19 vaccine, go to cdc.gov/coronavirus/2019-ncov/vaccines/recommendations/immuno.html.

Boosters

Residents who completed a two-dose series of the Pfizer-BioNTech or Moderna COVID-19 vaccine at least 5 months ago are encouraged to get a booster dose.

Residents who received the Johnson & Johnson COVID-19 vaccine at least two months ago are encouraged to get a booster dose.

Residents may choose to receive any authorized or approved vaccine as their booster dose.

For more information about COVID-19 vaccine boosters, go to cdc.gov/coronavirus/2019-ncov/vaccines/booster-shot.html.
