Workshop for Children: Making Artist Books for Peace!

In this workshop, children will decorate paper with colorful paste and make a simple book to take home. Artist Marci Easterbrook will begin with an animal story about peace from Peace Tales. Each child will enjoy art-making, assembling their book, and writing or talking about how we can all create peace in our world.

Books will be displayed at Los Bagels at a later date for art and peace!

All workshops are 1.5 hours and are designed for children 5-10 years old.

All supplies are provided. Be prepared to get messy! Limited to 12 participants, so please pre-register (#'s below). Parents are welcome to help or watch!

Talk to your Primary Health Provider.

Many healthcare offices offer Covid-19 vaccinations. Talk to your Doctor.

Get Tested.

We recommend getting tested as soon as possible if you are experiencing COVID-19 symptoms, even if you are vaccinated.

You should also get tested if:

- You have been in close contact with someone who has COVID-19
- You have taken part in activities that put you at higher risk for COVID-19, such as travel, attending large gatherings, or being in crowded indoor settings
- Your employer requires routine screening

Free Rapid Tests

A limited amount of free rapid tests are available through Public Health. Please call to check availability at 707-464-0861.

They can be picked up at:

If you have questions or need assistance navigating this process, call Public Health at 1-707-445-6201.

Many local pharmacies are offering COVID-19 vaccine in partnership with the county and federal government. Most pharmacies allow walk-ins, but please call ahead to confirm. Go to vaccines.gov or text your ZIP code to 438829 to check availability at participating pharmacies, or click on the individual links below.

Additional Doses

Additional doses of the mRNA COVID-19 vaccines are available for those who are immunocompromised 28 days after they complete the initial series. An additional dose of the Pfizer or Moderna vaccine is recommended for immunocompromised individuals to achieve maximum protection from the vaccine series. People are encouraged to talk to their health care provider about whether an additional dose is appropriate for them. For more information about additional doses of COVID-19 vaccine, go to cdc.gov/coronavirus/2019-ncov/vaccines/recommendations/immuno.html.

Boosters

Residents who completed a two-dose series of the Pfizer-BioNTech or Moderna COVID-19 vaccine at least 5 months ago are encouraged to get a booster dose.

Residents who received the Johnson & Johnson COVID-19 vaccine at least two months ago are encouraged to get a booster dose.

Residents may choose to receive any authorized or approved vaccine as their booster dose.

For more information about COVID-19 vaccine boosters, go to cdc.gov/coronavirus/2019-ncov/vaccines/booster-shot.html.
