Make your voice heard.

Every five years, DHHS Public Health's Maternal, Child & Adolescent Health program (MCAH) conducts a "Title V Needs Assessment."

Title V funds local health and wellbeing programs for mothers, infants, children and youth.

MCAH is seeking feedback from community members about housing, substance use disorder, discrimination, behavioral health, family health care and dental health care.

Make your voice heard. Complete this short survey about what's going well, what's not and what you think should be addressed.

Scan the QR code or visit surveymonkey.com/r/R9QVD5L to go to the survey. Share your opinion and help Humboldt MCAH tell its story.

Haz que tu voz se escuche.

Cada cinco años, el Programa de Salud Materna, Infantil y Adolescente (MCAH, por sus siglas en inglés) del Departamento de Salud Pública del DHHS lleva a cabo una "Evaluación de Necesidades del Título V". El Título V financia programas locales de salud y bienestar para madres, bebés, niños y jóvenes.

MCAH busca retroalimentación de los miembros de la comunidad sobre la vivienda, el trastorno por uso de sustancias, la discriminación, la salud conductual, el cuidado de la salud familiar y el cuidado de la salud dental.

Haz que tu voz se escuche. Complete esta breve encuesta sobre lo que va bien, lo que no y lo que cree que debe abordarse.

Escanea el código QR o visita surveymonkey.com/r/Q3GLJPS para ir a la encuesta. Comparte tu opinión y ayuda a Humboldt MCAH a contar su historia.
