May 21, 2024

Dear Administrators, Faculty, and Staff,

The Humboldt County Library is once again offering a summer reading challenge for children, teens, and adults. Please share with your school community the attached flyer which provides information about this year's summer challenge. You, your students, and their families are invited to join in summer fun!

This year's theme is **Read, Renew, Repeat** – a nod to conservation and a reminder to all of us to care for ourselves, for one another, and for the planet. We have many wonderful print and electronic reading materials to inspire and engage readers of all ages and reading levels on these important themes – and our librarians are delighted to make recommendations!

To participate, just sign up and get a reading log at any Humboldt County Library branch (or the bookmobile). Readers can set their own daily reading goals for the summer; this could be 100 pages for fluent readers or a few independent minutes for emergent readers. Listening to audiobooks or books read aloud counts, too! They can then submit up to three completed logs to be entered into a drawing for prizes generously donated by partner organizations in the community. We believe this personalized reading goal makes the challenge both accessible and rewarding for students with a range of interests and abilities.

We all know how important it is to keep minds and bodies active during the summer months and to continue developing literacy skills and a lifelong love of reading. The library's summer reading program is a free, easy, and fun way for parents and teachers to encourage youth to develop and strengthen their reading fluency, comprehension and agency.

Sign-ups are happening now! The challenge will run from **June 1 to August 17**. [Visit our website](#) to learn more and [our events calendar](#) to see our growing list of summer activities. I hope that you will encourage the children and families you serve to make the Humboldt County Library reading challenge a part of their summer plans.

Sincerely,

Ryan Keller  
Youth Services Librarian Support
